

**UNITED STATES BANKRUPTCY COURT
FOR THE EASTERN DISTRICT OF VIRGINIA**

Alexandria Division

In re:

COMPUTER LEARNING CENTERS, INC.,

Debtor.

Case No. 01-80096-RGM
(Chapter 7)

ORDER

THIS CASE was before the court on March 13, 2006, for a status hearing with respect to the trustee's final report. The trustee reported that his final report is in the last stage of preparation and should be filed shortly. A hearing on the approval of the report will be set for **May 2, 2006 at 9:30 a.m.** The trustee further reported that employee claims have been paid in full, that student claims will be paid in full, and that non-student unsecured claims will be paid at approximately 25 percent of their allowed claim. Distribution should occur before May 31, 2006.

The trustee further reported that there appears to be a potentially significant market for trading unsecured debt in this case based in part upon unequal knowledge between those to whom claims are due and those who offer to buy the claims. The trustee reported that he believes that the present offers for claims is about one-half of the amount that will be distributed to the claimant by the trustee. It appears to the court that all claimants may not have full and fair information with respect to the amount that they may receive in distribution from the estate or the timing of the distribution and that unfair advantage may be being taken of such claimants. Therefore, the court, on its own motion,

ORDERS:

1. No claim in this case shall be transferred on or after March 13, 2006, without court approval.

2. The court will liberally permit transfers of claims provided that the court is satisfied that the claimant has full knowledge of the status of the case and of the prospective distribution to him.

3. Unless otherwise ordered by the court, the trustee shall disburse all claims to the claimants of record as of March 13, 2006, notwithstanding any subsequent transfer of such claims unless such transfer is approved by the court.

4. The trustee shall place this order or a summary of it on Computer Learning Center, Inc.'s website.

5. The clerk will place a notice of the entry of this order on the court's website.
